☐ Please charge this card monthly for tuition payments.

It is important that we receive tuition in a timely manner. Failure to pay may result in a chorister not being able to perform with her choir until the account has been brought current.

Volunteer Pre-Planning!

Planning for the Season is well under way and our parent community is the key to make sure things run smoothly so the girls have a good experience. As volunteer needs come up we will post them in the Members area of the web site (fun.choir) and send email requests for assistance.

The following is a list of dates we know we will need support. If you are available please take a moment to fill out this Volunteer Worksheet and let us know how you might be able to help this season.

Thank you!
