

Seattle Girls' Choir Guild

Choir Center

SGC Inc. rents their space from the Volunteer Park Seventh Day Adventist Church at 1300 Aloha Avenue on Capitol Hill. There is parking at the rear of the church. A room on the lower level is available for parents to use if they would like to come inside while their daughter is at rehearsal.

As a renter our tenure is always under review and it is important as a parent community to help the girls understand the importance of respecting the facility. So please review the following guidelines and discuss with your daughter so that she is aware of the expectations.

- There should be no running anywhere in the facility.
- No one should be barefoot inside the facility.
- No choristers should be in the east hallway on the main floor.
- Use respectful voice volume at all times.
- No goofing around in bathrooms – parents, please feel free to chaperone/monitor when you see girls headed to the bathroom in a group.....
- No food on any carpeted area – you may eat only on the linoleum area of the Fellowship Hall downstairs.
- Remind girls to pick up all garbage/wrappers even if it is not their own.
- All parents should remind any chorister or sibling of proper/respectful behavior.

Thank you so much for your help in this important area. Expecting nice behavior in our choir center helps set the mind set for the girls of representing the choir with good manners at all times.
