Dear Mr. Winkler:

The Magnolia Chorale would like to thank the Seattle Girls' Choir for the splendid performance given by Vivissimi yesterday. Our singers and audience were thrilled to hear the girls sing with the Chorale and then present their own delightful program. Their musicality, discipline and professionalism were inspiring.

Our members feel very fortunate to have Jean-Marie Kent as our extraordinary and gifted Music Director. It was a delight to see her in action with the next generation of choral singers! It is clear that Seattle Girls' Choir offers great opportunities to musical girls in our area. We deeply appreciated collaborating with Seattle Girls' Choir and hope that there will be future occasions when we can sing together.

I would also like to mention how much we appreciate the support of Barbara Halliday and Stacia Camarano in organizing this event. They made a big difference in creating a successful concert for all involved.

Sincerely yours,

Ann G. Macfarlane
President, Board of Directors of the Magnolia Chorale
