Dear Parent:

The Seattle Girls' Choir is committed to making our choral program available to qualified girls in the Puget Sound region therefore we have financial aid available. Tuition aid is awarded based on demonstrated financial need and referencing the HHS threshold charts. To apply for assistance please complete this application and mail it in to our office.

Please send your form in by September 1st with your Piccolini registration form. Aid is typically awarded to all families who request it therefore we recommend a good faith contribution toward your September tuition so your account stays current. When families ask how much they should contribute we recommend \$50. Applications will be reviewed and a response prepared within 2-3 weeks.

If you have any questions please contact Stacia at the choir office.

Respectfully,

The Seattle Girls' Choir Board of Directors
