Season’s Greetings!

This is a year unlike any other, but through all the upheaval and worry it’s important to find moments of joy that make us smile. This concert is just the thing! A Gift of Song is an exuberant celebration of our values: our unshakeable commitment to choral music, traditions passed down through generations, and a cooperative spirit that underscores the importance of each and every chorister. It’s a celebration of everything we can accomplish when we work together, despite being apart. Enjoy!

DO YOU KNOW A GIRL WHO LOVES TO SING?
Let her voice be heard!
Auditions are being scheduled for Entrata choir level which is resuming January 2021. Entrata is designed as an entry point into SGC for girls in 3rd-5th grades by providing slightly more focused musicianship instruction so that their skill levels will more closely match peers that started in SGC at a younger age.
